

Geography

What are Europe's human and physical features?
What are the key geographical features of Italy?
What is plate tectonics?
What are earthquakes and how do they occur?
What are volcanoes?
How is the land used in Campania, Italy, and how does it compare to my region?

Geography

What are the key physical features of Campania, Italy and how do they compare to my region?
What are the key settlements in Campania, Italy and how do they compare to my region?

Building knowledge about the world's physical features and developing enquiry skills to understand how this may impact how and why humans settle in certain places.

History

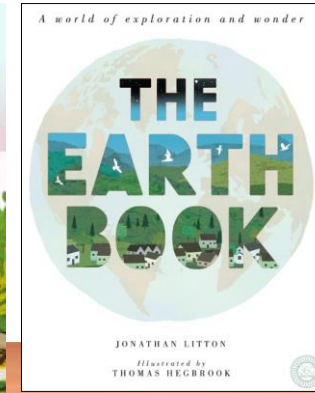

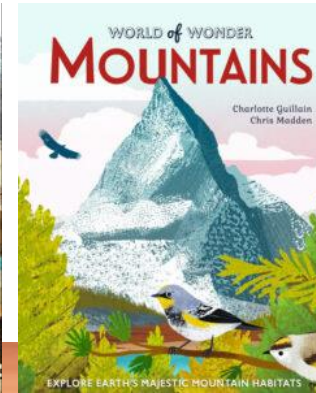

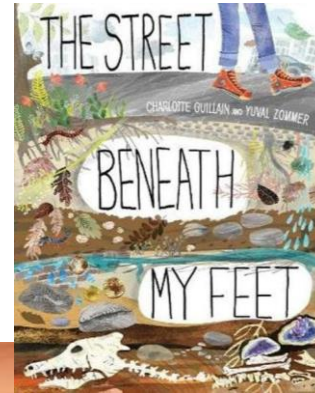

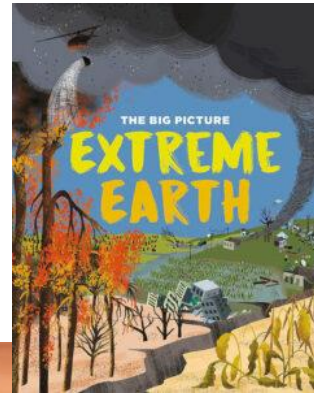

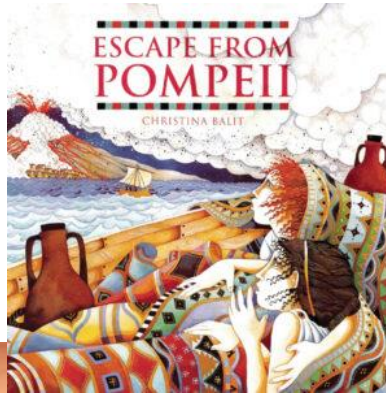

What happened to the Romans in Pompeii?
How did the Romans respond to earthquakes and volcanoes?
What can the remains of Pompeii teach us about the Romans?

Reflecting on how settlements and human behaviour changed in Britain due to the Romans.

Science

What are the main different types of rock and their different physical properties?
What are the different layers of the earth?
How do living things get turned into fossils?

Reflecting and examining on how science and scientists are important to understanding human impact on our planet.

Science	Animals Including Humans What if we didn't look after our teeth? What does our body 'do' with our food and how is food and drink 'used'? Are there healthy and unhealthy foods?	States of Matter How can we classify different materials? How do materials change state? Why does it rain, hail, sleet and snow?	Rocks & Soils What is in soil? What is beneath the Earth's soil? How are rocks formed and how do the differing properties of rocks compare? What is a fossil?	Forces & Magnets What is a force? Do objects moves the same of different surfaces? Which materials are magnetic? How do magnetic forces work? Are all magnets the same strength?	Living Things & Their Habitats How can classification keys help us to group, classify and name living things? Which living things live in our local area? How does a changing environment impact living things?	Electricity How do we use electricity? What are the basic parts of a simple series electrical circuit? What are conductors and insulators and are they important to our everyday life?

Design Technology

A Healthy Packed Lunch

What are the different food groups?
Which foods belong in which food group?
How do my senses affect my liking of a food?
How can I select foods that are tasty but also provide a healthy balanced diet?

High Lane Primary School
Creating the future, today.

Physical Education

S1: Tennis & Dance S2: Swimming & Cricket

How can I combine movements and stay in time with others?
How can I improve my swimming technique to be able to swim a further distance?
How can I improve my batting technique to hit the ball further and more accurately?

Computing

Coding & Making Music

What is an IF statement and how are they used in coding?
What is an IF/ELSE statement and how are they used in coding?
What is a variable and how are they used in coding?
How can music be created on digital devices?

Spring
2024-2025

PE Days (S1): Monday & Friday
PE Days (S2): Monday & Thursday

Homework: Given out and collected on Friday.

Library: Tuesday

PSHE

Community & Online Safety

What does it mean to be part of a community?
What are rights and responsibilities and why are they important?
What is the impact of our digital footprint?
How can we 'bounce back'?

Spanish

Days, Months & Birthdays

How do you count to 31 in Spanish?
What are the months of the year in Spanish?
What are the days of the week in Spanish?
How do I ask someone when their birthday is in Spanish and how do I tell them mine?

Religious Education

Who is Jewish and what do they believe?
What is a mezuzah and why do Jews have them in their homes?
What is Shabbat, the 'day of delight'?
What is Sukkot and how do people celebrate the Jewish harvest festival?
What is Hanukkah and how is it celebrated?
