## **School**

### **The Learning Environment**

Our school will:

- Provide your child with a high standard of education, implemented by rigorous national guidelines, within a balanced curriculum.
- Ensure that our curriculum and learning environment are stimulating and challenging.
- Celebrate your child's academic and personal achievements.
- Provide the scaffolding needed to enable your child to achieve their full potential.
- Care for your child's safety and well-being by observation, nurturing and listening.

## **A Healthy, Happy Community**

Our school will:

- Teach your child to develop a positive attitude to one another and build and maintain strong relationships, regardless of gender, race, culture, belief, values, age and need.
- Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them.
- Regularly meet with you to communicate the progress of your child, celebrating their strengths and explaining how we can support them in their areas for development.
- Provide information to you about our school, including relevant policies, meetings, workshops, activities, newsletters and open days.
- Be very happy to welcome you if you would like to contribute to our school's broader curriculum. We recognise that our school community holds a wealth of talent, experience, diversity and enthusiasm that our school could benefit richly from.

### **Homework**

The school will:

- Set relevant and achievable homework to extend the curriculum and provide the opportunity for independent learning. Clear information will be provided so that you will be able to help your child if required.
- Provide information and helpful training sessions for you that will give you confidence to support your child.

## **Parents/Carers**

### **The Learning Environment**

As a Parent/Carer I will:

- In order to help my child gain the most of their education, make sure my child arrives at school on time, prepared to start their lessons. They will be wearing named school uniform and their PE kit will be brought into school at the beginning of each week.
- Avoid taking my child on holiday during school term time.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

### **A Healthy, Happy Community**

As a Parent/Carer I will:

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.

- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.

## **Homework**

- Please support the school by making sure that homework tasks are completed and returned on time.
  - Please use your talents and experiences to enhance your child's learning at home. Your child will benefit greatly from what you can show them, discuss with them and teach them.
- 

## **Pupils**

### **I will:**

- Respect other children's culture, race, feelings, beliefs and values.
  - Accept responsibility for the things that I do.
  - Be responsible for my schoolwork and homework.
  - Ask for help if I need it and try my best in all that I do.
  - Ensure I take home any letters.
  - Be kind and speak politely to everyone in school.
  - Take good care of the building, equipment and school grounds.
  - Behave in a safe way.
  - Be helpful.
  - Tell a member of staff if I am worried or unhappy.
-
