

High Lane Primary School

Home Learning Expectations for KS1

Mornings	<ul style="list-style-type: none">• Maths activities (30-40)• English activities – linked to reading, phonics, writing and handwriting(30-40 minutes)
Afternoons	<ul style="list-style-type: none">• One or two activities from the home learning grids attached (30-60 minutes depending on the activity)

At High Lane, we recognise that each family’s situation is different, which is why we have not allocated days or times to the work provided. If school is closed or you are self-isolating, it is important for children to be accessing English, Maths and Reading daily, in equal measure with breaks, opportunities for other areas of their learning to be reviewed and quality family time.

We hope that, during this time, our families remain well. Should you require support from school with regards to your child’s learning, class teachers will be available on ClassDojo – replies during the week may take up to 48 hours, and slightly longer over weekends. Please bear with us and we will endeavour to return your message as soon as possible.

Thank you for your continued support,
The Key Stage 1 Team

High Lane Primary School Home Learning Ideas for Year 1

Whilst you're at home, it is really important to keep your brains growing. In the mornings, we recommend completing Maths and English activities set by your class teacher but, in the afternoons, why not try some of these great activities below? Because we know you all have lots of different strengths, we've tried to include a little something for everyone.

<p>Literacy</p>	<p>Reading Read any books you have at home. Record what book, pages and any tricky words in your home reader. There are also online books that you can engage with. https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/</p>	<p>Phonics Practise reading and writing from phases 3-5. This can be done using phonics play or ICT phonics games. There is also a 'word generator' on www.oxfordphonics.co.uk</p>	<p>Writing Look up the clip 'book of butterflies' on YouTube. Have a go at writing sentences that describe the look and movement of the butterflies. Children can also keep a diary of their daily activities and be writing stories. There are some lovely images on www.pobble365.com that can be used as a stimuli for writing.</p>	<p>Handwriting Practise letter formation. This can be done using pens, felt tips etc. There is a sheet attached with cursive script. If you don't want to do stand-alone letters practise writing whole sentences.</p>	<p>Games There are many English games on www.ictliteracy.com and www.phonicsplay.co.uk that offer sentence building/substitution activities.</p>
<p>Numeracy</p>	<p>Arithmetic Count to 100 everyday! There is a great exercise video to support this on YouTube with Jack Hartmann. Also ordering number to 100 forwards and back.</p>	<p>Using strategies Using addition and subtraction. Writing number sentences to help with formation. Have a go at using a part-whole model to support this.</p>	<p>Number bonds Keep practising quick recall of number bonds up to 20. See if you can do some larger sums up to 50 using your knowledge of number bonds.</p>	<p>Times tables Could to 100 in 5s. You can do this orally and written. Try going forwards and back.</p>	<p>Games Keep up with times table rock stars! Also www.mathsplayground.com have many games that support learning for year 1.</p>

Science	Geography	History	Art	DT	Music	PSHE/RE
Find out the different parts of a plant. https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/z3wpsbk Draw your own plant and label it.	Recap the seven continents and 5 oceans. Make your own map and label it. This can be done on paper, computer, painted etc.	Research a significant person of the past and create an information leaflet. Suggestions; Neil Armstrong, Florence Nightingale	African animal collage. Choose an animal from Africa and create a collage.	Design a vehicle to take on safari! Think about what materials you would need and how you would fix it together.	Relax and listen to some music. Learn a new song. Keep a steady beat to the music, make a rhythm. Can you make up a dance? Teach a family member.	Clear some floor space and have a go at some relaxing yoga with your family. https://www.youtube.com/watch?v=X655B4ISakg
