You may use this resource for personal and/or classroom use only. We're more than happy for you to keep your own backup copy though.

In order to support us, we ask that you always acknowledge www.twinkl.co.uk as the source of the resource. If you love these resources, why not let others know about Twinkl?

You must not reproduce or share this resource with others in any form. They are more than welcome to download the resource directly from us.

You must not host or in any other way share our resources directly with others, without our prior written permission.

We also ask that this product is not used for commercial purposes and also that you do not alter the digital versions of our products in any way.

We hope you enjoy the resource and we'll see you very soon! x

Help your child with

maths

I spy

...make a game of spotting shape and patterns in real life

Get tools

...make tools like rulers, weighing scales, calculators and measuring tapes easily accessible around the house.

Use games

...encourage games such as card games or board games that involve counting or patterns.

Cook up a storm

...use measuring out ingredients to reinforce maths skills.

Ask questions

...ask questions comparing real life things. Which do you think is.... the tallest, the smallest, the heaviest, the longest, the fastest, the most expensive?

Talk about it

...find out what skills are being taught in maths lessons and for homework. Be sure to ask about how answers were worked out!

Go online

...look online & in app stores for appropriate number and problem-solving games.

Out and about

When shopping count up the shopping and count out change together.

Involve maths in everyday life.

Money, cooking, music, computers, art, construction etc...

any real life situation!
